

Ria Lins CONNECTION

Opening zondag 20 maart 2011 van 16.00-18.00
tentoonstelling tot 29 april 2011

A close-up photograph of a white mannequin arm wearing four woven bracelets. The bracelets are made of a textured, woven fabric in various shades of beige, cream, and light brown. One bracelet on the left has a thin red thread woven into its pattern. The bracelets are arranged in a slightly overlapping manner, showing their intricate texture and how they wrap around the arm.
